

KILLARNEY SKATING CLUB

*A pair of skates is
all it takes!*

SKATING FUN FACT:

In 2022 Skate Canada removed gender barriers in Figure Skating by updating the definition of a team.

Winter Edition

Hello Killarney Skating Club members!

We have been using our new website and registration system for a while now and hope that you have found it easy to navigate and helpful!

Here are a couple of important tips/reminders to keep in mind:

- Past schedules can be found on the [Schedule & Updates](#) page under the registration menu. We always keep 1 year of historical schedules here for reference (always subject to change for future seasons)
- Under the registration menu are specific registration pages for each of our programs - this way you don't need to filter to find the correct program!
 - Please note: our Junior Academy (JA) and CompStar programs are by invitation only
 - JA skaters - your registration code will be provided 1 hour before registration opens

Unsure of what program to register for?

We always try and release the schedule a few days in advance of registration opening, please reach out with your questions prior to registering to ensure a smooth process.

Our website has lots of other helpful information including news (you can also find past newsletters here), our policies and a list of our club coaches!

Reminder

In Spring our sessions move from Killarney as the ice is removed for other programs. Our sessions will be moving to Sunset Rink and Planet Ice Delta during the Spring session - Please take note of the session location when you are registering for the Spring.

CanSkate Highlights

- CanPower and Power Skating is back this Spring! We are so pleased to announce that we have found some ice to be able to offer this popular program again. We will run two 3-week sessions, so skaters can choose 1 or both sessions. Registration coming soon!
 - **Important note** on power skating registration: skaters must be at a minimum **CanSkate Level 5** to register for CanPower or Power Skating. If you are unsure about your skater's level please speak to Victoria (kcfscanskate@gmail.com), our CanSkate Coordinator to arrange an assessment **before** registering.

Competitive Highlights

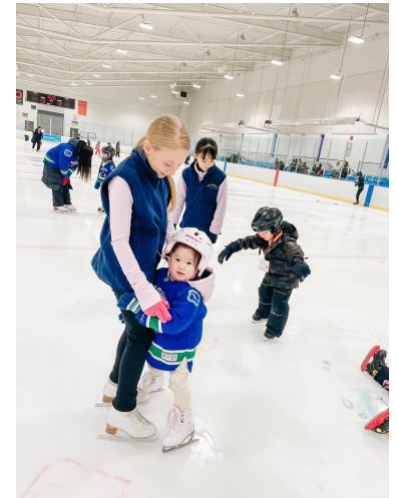

- We had a successful club photo day for our Junior Academy and competitive skaters on February 7th. Don't forget to order your photos by **March 7th**. Photos will be delivered to the club and distributed when ready.
- Competitive skaters are heading to Kelowna this weekend for the Super Series final competition - wishing all competing skaters the best luck and safe travels this weekend!
